This was it. This year Swan Valley was out to make a name for themselves. A growing competitive edge in all fields of school brought notice to this school. Not only did the students and faculty show that they could handle other schools, they also showed individuality. Swan Valley found their own way to make learning fun.

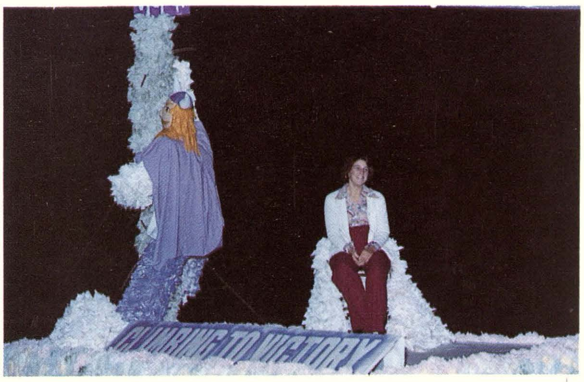
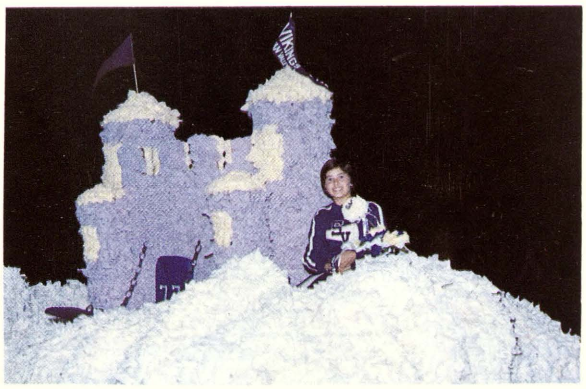
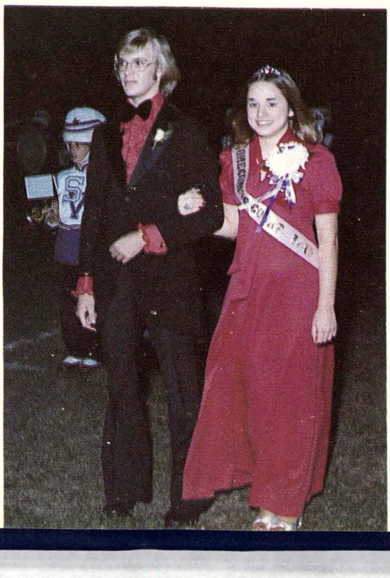
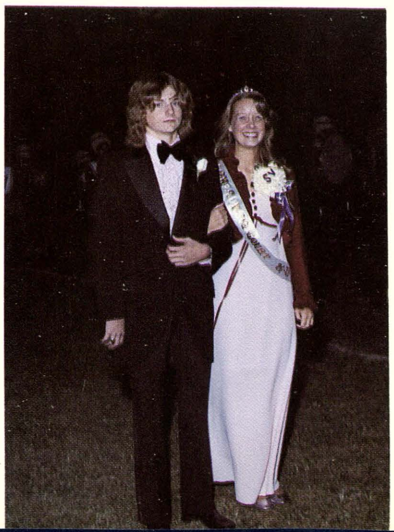
The parade of floats was one of the big attractions at the Homecoming. Made of tissue paper and constructed by the various clubs and classes, they totalled five in all. Interpretations of the theme "Fantasyland" ranged from the Pep Club's "Purple Submarine" (Below) to the Senior's "Lazy Daydreamer" (Left on the opposite page). The Sophomores entered "Cinderella's Castle" (Bottom Right) and the Freshmen entered a version of "Jack and the Beanstalk" (Right), but the Junior's "Over the Rainbow" took top honors (Right on opposite page).

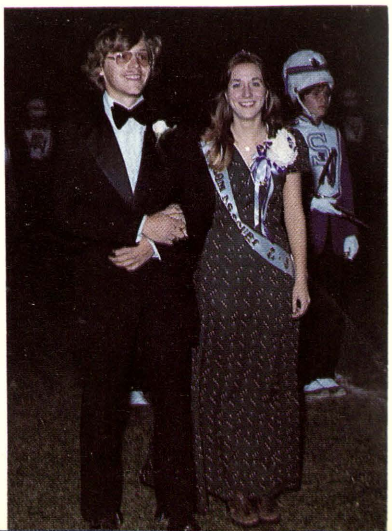
Leading up to the major attraction was the introduction of the court. (Above L-R) Diane Blaine & Bob Thomas, Kim Pahssen & Nick Morningstar, Cindy Zietz & Todd Wescott. (Below L-R) Lori Mielke & Kim Spear, Cheri Kluck & Steve Juhas, Julie Adsit & Mike Juskiewicz. On the opposite page is Queen Linda Yockey with Mitch Ellis when the queen was announced.



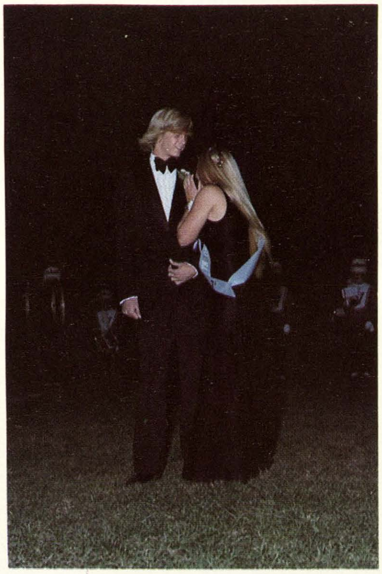


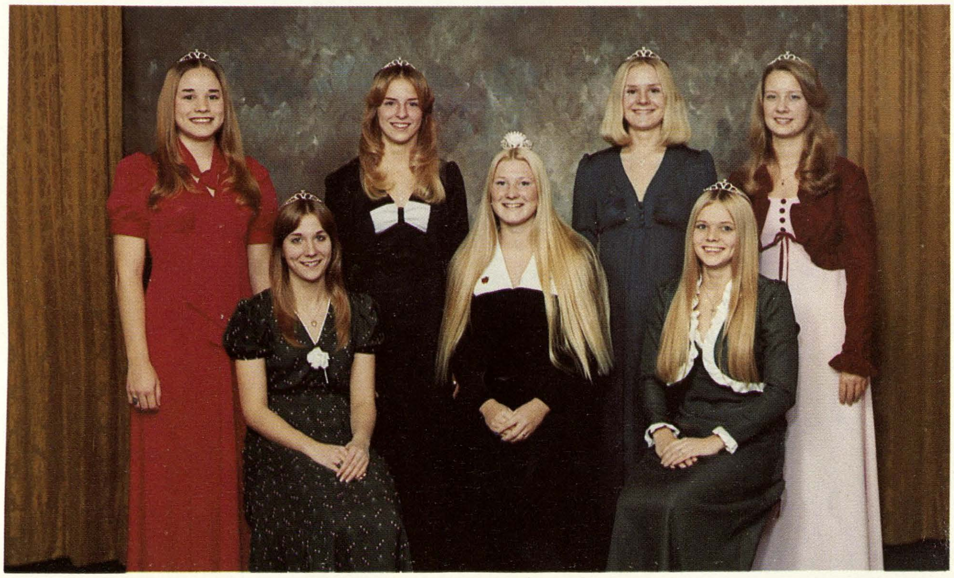






THE MAKING OF A GLAMOROUS NIGHT





The Queen and her Court: (FIRST ROW L-R), Julie Adsit, Linda Yockey and Kim Pahssen. (ROW 2), Lori Mielke, Cindy Zietz, Diane Blaine, and Cheri Kluck.

THE YEAR IN RETROSPECT

(NOTE–On this page, the staff of Valhalla is publishing the current events of the past year, so that, in future years, the 1974-75 Valhalla will highlight not only the school year, but also the year as a whole.)

The period of June 1, 1974 to March 1, 1975 proved to be most newsworthy. It was a time of high inflation as well as high recession, a continuing tumble of the stock market, a time of cover-ups and revelations, and, initially, the first resignation of a President of the United States in the nation's history.

The day was a Friday, and the date was August 9, 1974. Just the evening before, now ex-President Richard Milhaus Nixon had announced that, effective at noon the next day, he would step down from the office of the Presidency. His successor was to be recently-appointed Vice-President Gerald Rudolph Ford, a native of Grand Rapids.

Ford achieved his vice-presidential office due to the resignation of then-vice-president Spiro Agnew, because of the pressure of an alleged crime in Baltimore, Maryland. Nixon issued a full pardon for Agnew. It is ironic that Nixon then resigned due to heavy pressure from the Watergate cover-up and the impeachment movement in the House pf Representatives, and received a full pardon by Ford.

While on the subject of cover-ups, two of the most prominent in history occured in this period: Watergate and the CIA. Watergate is the name of a hotel which the Democrats used for a headquarters for their operations in the presidential election of 1972. Republicans then broke into the hotel, which led to one of the largest cover-ups ever. The second cover-up involved the Central Intelligence Agency and its modes of conduct in both domestic and foreign affairs. At the time of this writing, however, few details are known in the matter.

President Ford, meanwhile, continued to make headlines. His foreign policy paralleled that of his predecessor's. Ford continued the detente with the Soviet Union, and repeated pressures on the large oil-producing countries, successfully convincing them to halt the oil embargo. Ford also quickly named a vice-president, choosing New York's multi-millionaire Nelson Rockefeller.

Ford wasn't the only familiar sight continually into the front page headlines. The frustrating economy also added daily to the news--an economy of runaway inflation, skyrocketing unemployment rates, abominable interest rates, and a tumbling stock market.

Inflation continued pesky, and it was most evidenced by the increased prices due to many shortages, such as beef, sugar, cotton, and oil. The following are the prices of various necessities of Americans, with the first price being that of June 1, 1974, and the second, January 1, 1975:

Gasoline	$ .45	.56	/gallon
Milk	.90	1.30	/gallon
Bread	.29	.45	/ loaf
Sugar	.91	2.79	/5# bag

Additionally, sugar had been as high as $3.29 for a five-pound bag on December 1, 1974, but the price sank as the "shortage" began to be relieved.

On October 15, 1974, unemployment was a mere 4.5%. Within the next three months, that same rate had nearly doubled to 8.2%, and was expected to surpass 10%.

The interest rates on bank loans had reached 12 1/4%, but on March 1, 1975, were only 10 1/2%.

The New York Stock Exchange, which had once been over 1,000 points, now read around 600.

The economic news wasn't all bad, however. February was a time when automobile manufacturers offered rebates on purchases of certain automobiles, and many people took advantage of this savings, which reduced a surplus of over-stocked cars, which put more people back to work. As a result of the public reaction to the rebates, many other manufacturers offered rebates on their products.

On the sports scene, the Oakland A's were winning their unprecedented third World Series, and the Detroit Tigers were finishing last for the first time since 1952 and the second time in club history. The Detroit Pistons were faltering after a fast start, and the Red Wings were struggling to stay out of the cellar. Closer to home, the Saginaw Gears were faring well in the International Hockey League, winning the Carling Cup over Flint, and battling Flint and Muskegon for the top spot in the league's North Division.

Locally, Robert's and Roethke Parks were opened for summer activities, the school swimming pool was nearly completed, and two new additions were added to faculty's families: Daniel Slick and Jill Ann Cichowski. On a sadder note, the school was deeply grieved by the death of JV footballer Rick Hanson, who was struck by a car while walking home from a party. The school responded astoundingly well for contributions for the Rick Hanson Memorial Fund.

SWAN VALLEY'S AWARD NIGHT

The Second Annual Honors Night was held at Swan Valley High School for the outstanding students. About two-hundred and fifty students, parents, and teachers gathered in the gym for the presentations.

The band and the choir started the program with a prelude and a singing of the National Anthem. After a short prayer by Rev. Chester Webster of the Shields Church of the Nazarene, there was a welcome by the Senior Class President Dan Butts, and an introduction by Mr. Cuthbertson.

Two hours later, more than fifty students had received awards from the various departments in the school.

Luis Hoyos, Exchange Student from Argentina.

The Library awards were presented by Mrs. Nicholson and Kathy Benkert was the most valuable AV and Library aid.

The Girl's Physical Education Award was presented by Mrs. Koppenhofer to Sue Emeott.

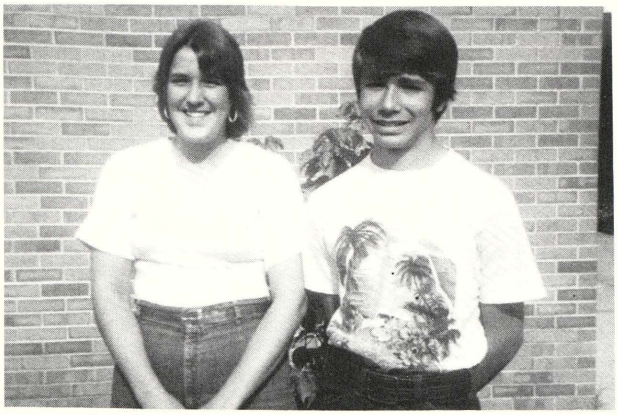
Jim Frey was awarded the outstanding boy in Physical Education.

The Yearbook awards were presented to the five leaving seniors by Mrs. Stearns. The students receiving the awards were; Deana Arney, Dan Szarenski, Kevin McMichael, Cindy Zumbrunn, and Ed Rice for their outstanding work on this year's yearbook.

The Speech Department gave awards in three areas; Drama, Forensics, and Debate. Mrs. Johnson kept the Drama awards a family affair as the Kindy family (Dave) won it again this year. Dave- a junior had to share his award with Randy Prudhomme, also a junior. Mr. Cesarz gave awards to the most valuable members of the two first year teams he coached. In Debate, Diane Mack, senior, earned the MVP. Dave York, senior, was named the MVP in forensics for his work in humorous competition in Forensics.

Mr. Nassif awarded the outstanding Commercial Awards. In the Secretarial area, Cheyl Kluck, senior, received the award.

The Music Awards were presented by Mr. Leavenworth. Dave LeFevre received the Choir award for his work inchoir and in the school musical. The Instrumental award went to Dave Zedaker and the John Philip Sousa Award, going to the most valuable member of the band, went to the Treasurer of the band, Debbie Henderson.



Sheri Waley and Bruce Cliff were awarded the outstanding Freshmen Students awards.

There were four awards given in the Science Department; Earth Science, Environmental Science, Biology- and Physical Science (Combined Physics and Chemistry). Mr. Debozy gave the Earth Science award to Jim Frey, senior. Brian Sorbo, sophomore, was the recipient of the best student in the Environmental Science department, presented by Mr. Schrems. Lori Mielke, senior, was named as the most valuable student in Biology, by Mrs. Nassif, after having Biology for two years. Mr. Belcher presented the best student in the Physical Sciences to Cheri Gillam.

There were three awards given in the Math Department, all to the Pre-Calculus class. Mr. Cichowski named Lori Mielke, Kevin McMichael and Dan Szarenski as the most valuable students in the Math Department.

The outstanding Sophomores this year were Koko Rice and Mark McGillem.

Mr. Cesarz presented both the Crafts award and the Art award. Debbie Ordway was most valuable in the Art Department and Rick Miller won the Crafts award for the second year in a row.

The only Social Science Department Award was presented by Mrs. Crampton upon Mr. Wartenburg's suggestion, to Mark Smith.

The Civitan Club gave awards to the students they thought were the best students in school. The students were chosen by the faculty on the basis of citizenship, service, and scholarship. Mr. Robert Presley of the Civitan Club, presented the awards to Jim Marx and Kathy Benkert.

The Spanish Awards, the only foreign language at this school, were presented by Mrs. Tesauro. The most valuable student in first year Spanish was Stacy Little, junior. A sophomore was named as the best student in second year Spanish, Paul Benkert.

The Industrial Education Department presented four awards to students. Mr. Musial presented all the awards. Gar Gerard received the Mechanical Drawing Award. Bill Slumka was named the most valuable student in Building Trades II. Bernie Hart was given the Metals award and Mike Megerle was the Wood Tech award winner.

Barb Kelly was the recipient of the Home Economics award presented by Mrs. Baumgartner.

The most valuable students for the juniors were Ross Szarenski and Stacy Little.

Mrs. Gumina awarded the Vocational Instructional Learning Award to Mary Sammons. For the second year in the row she has gotten the award.

The English Department gave only one award and Mrs. Maki awarded Tina Giacoletti the most valuable student in English award.

One teacher received an award. Dan Butts presented the Outstanding Teacher Award to Mr. Belcher, making the top 300 teachers in the nation.

"The Varsity football team posted an overall 7-2 record and for the second year in succession finished undefeated in league play. The players had to overcome much adversity, more than anyone apart from the team will ever know. It is to their credit that they were able to rise above these adversities, and achieve the degree of success that was theirs."

An Undefeated Year For . . .

JV FOOTBALL

The JV football performance in 1974 was slightly over-shadowed by the varsity team, and was darkened by the tragic death of Rick Hanson. The team resolved itself to dedicate an award in his honor, and Lenny DeFoggi was named the Rick Hanson Memorial Player.

Both coaches had nothing but praise for their team, and had this to say: "A description of the Junior Varsity team is togetherness and dedication. This group of gifted young men worked as a unit to compile a 9-0 record and finish first in the Mid-Michigan B conference with a 6-0 mark.

The offensive attack was highlighted by an effective passing and awesome running attack to average 28 points per game. An aggresive defense held the opposition to just 8 points per game.

Congratulations gentlemen on an outstanding season and best wishes for continued success."

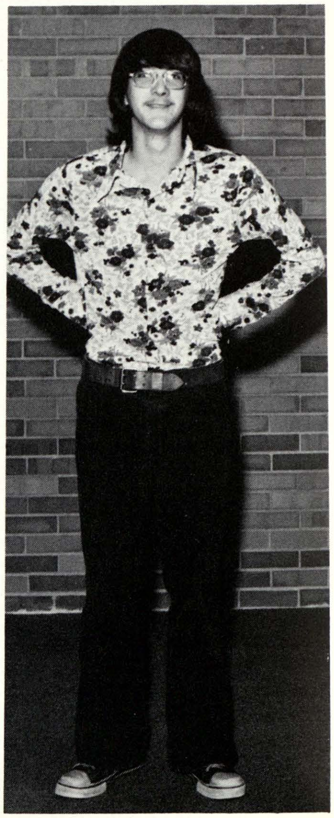
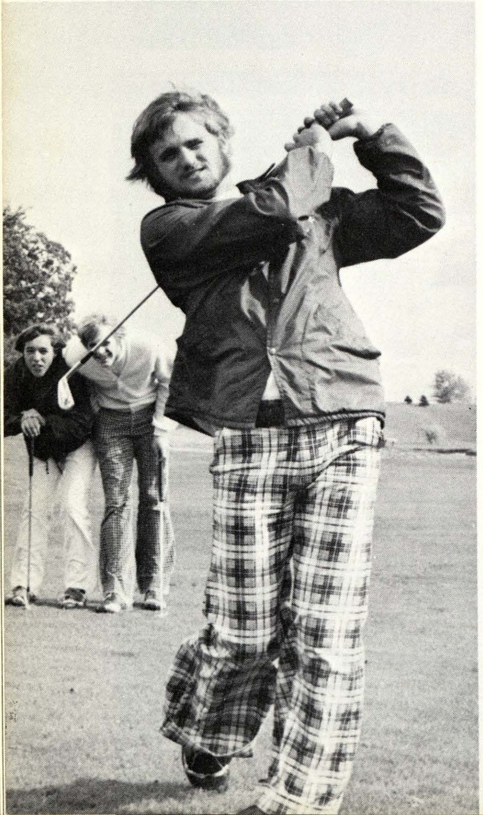
The Vikings had a very successful season this year with a 15-4 dual meet record while placing fifth out of 21 teams in the regional tournament. The only disappointing aspect of the season occurred when the Vikings faltered in the conference meet and finished fourth.

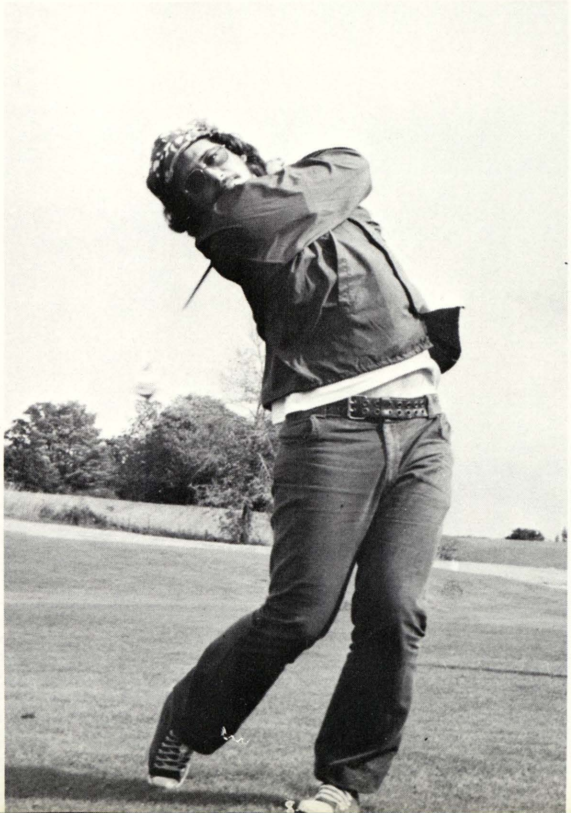
Mitch Ellis again led the team in scoring (41.72) after waging a duel with Steve Yockey (42.35) and Rick Johnson (42.37). The team average was 42.5 strokes for 36 holes.

All school records were either broken or tied in the 1974-75 season. Rick Johnson set the record for a 9-hole home course (36) and tied Mark Martin's 18-hole home course record of 78. Mitch Ellis also tied that same record this year as well as setting the record for a 9-hole away course (33) and an 18-hole away course (70).

Prospects for the coming year are promising, with Yockey, Scott Martin, and Greg Rossi back for their junior years, along with Mike Fuller, Mike Sollner, Martin Ries, Terry Bray, and Fred Reis up from the JV's.







The Viking JV golf team had a very successful season in 74-75 as they compiled a 10-3 record.

Mike Fuller, JV MVP, led the team with a one-match round of 43.3 strokes, while the team averaged 49.4. JV Coach Chuck Reeder had this to say about Mike and the team, "Mike was an outstanding and consistent golfer as well as a team leader. The team also did a great job, and can be proud of their season. Next year's squad should do very well." The squad this year consisted of six freshmen and four sophomores.

Some of the season's highlights included a tight battle with state champion Douglas MacArthur, a victory over Class A Arthur Hill, and a six-match win skein.

CROSS COUNTRY

"The Swan Valley Cross Country Team ran for an 8 - 9 dual meet record. The young Vikings finished 5th in the conference. Ted Thomas placed 8th in the conference meet and 12th in the regional meet, qualifying for the State Final Meet. Karen Seiter led the girls to a 4th place finish in the Grand Ledge Invitational by finishing 4th individually. The future looks bright with everyone returning next year."

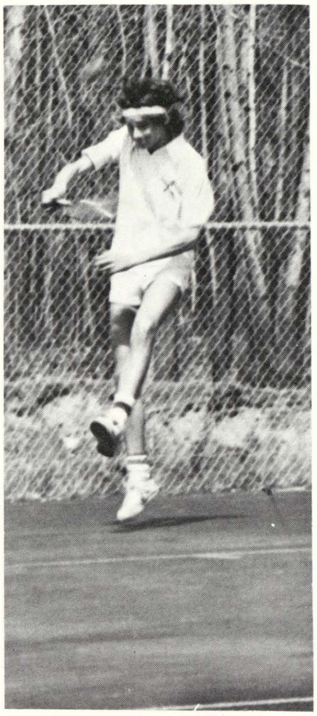
Better-Than Average First Year For . . .

TENNIS



Swan Valley added tennis to an already long list of successful athletic teams this past spring as the first year squad earned an impressive 5-3 record. The Viking netters started slowly losing their first two matches by identical 7-0 scores, but quickly turned things around by winning five of their last six matches.

Though the team lost some valuable members, I feel that next year's squad should be strong. Seniors that played key roles in the team's success were Deana Arney, Doug Ruppel, and Mitch Ellis.

Returning to form the nucleus of next year's squad will be the top four singles players: Bernie Loomans, Martin Ries, Roger Schibelhut, and number one singles player and MVP Joe Kocks. The doubles teams will be stronger in the future as number one doubles player Kevin Webster will return with starters Dennis Theisen, Andy Hooper, and Julie Brady. Coach Doug Byrd

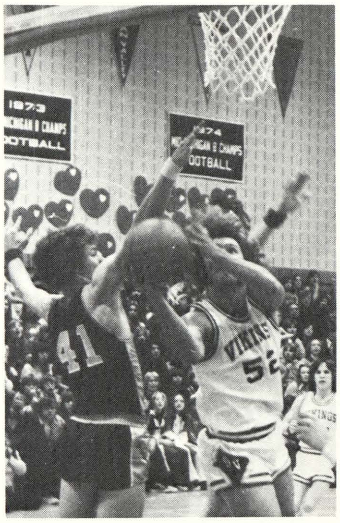
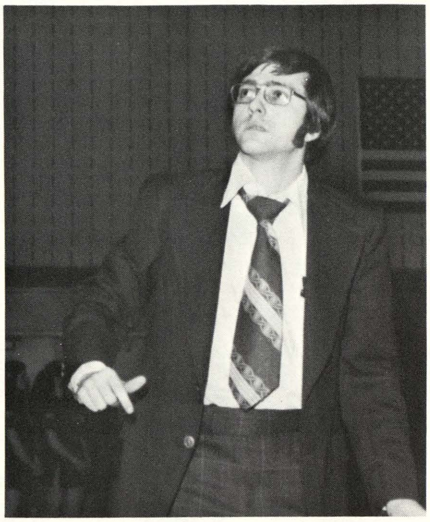
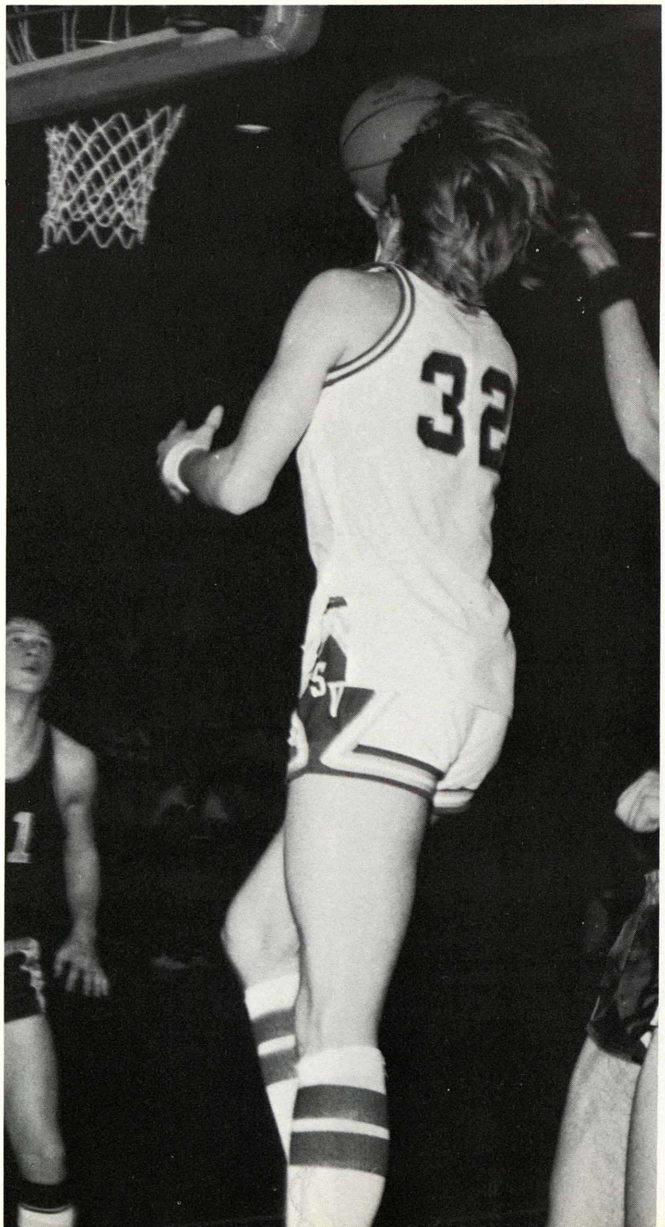
VIKING VARSITY BASKETBALL





Varsity Coach Ken Tesauro summed up the 1974-75 basketball season accordingly: "The success experienced by the varsity basketball team was a blending of desire, experience, attitude and team play. These attributes, along with good basketball ability, brought a fine winning record and state rankings to Swan Valley High School. The team finished the season with an 18-3 record, which was accompanied by the following: Mid-Michigan B Conference Title; Saginaw News Class B All-Area Champs; and rankings of 6th in the state by the Detroit Free Press, 7th by the Associated Press, and 12th by the United Press International.

The team set many basketball records during the year. The one that was most satisfying to the team was the defensive points per game record (60.4 allowed), while, offensively, the team scored 77.8 the community.



Many individual records were also established. The team placed two players, Mitch Ellis and Rick Johnson, in the top 12 scorers in the area, averaging 19.8 and 19.2 points, respectively, and was the only school to do so. Many of their baskets were the result of Mark Colpean's fine passing. Mark holds the record of assists in a season. Captain Mark Brush was the leader of the team, contributing in every aspect of the game. Joe Kocks added his good basketball knowledge and fine play, while John Mason and Roger Wallaert proved their value and importance to the team as they continually gave the bench an added punch.

Although the team was blessed with many outstanding players, the most important and exciting part of the season was the players' togetherness. It is that togetherness that brought basketball exciting to the school and the community."

Another Undefeated JV Team!

JV BASKETBALL

"It was a fantastic thrill to coach a group of athletes that were as determined and coachable as these young men. We established a team goal to go undeafeated, and we not only accomplished that, but also we were never behind after the first quarter. We averaged 72 points and held our opponents to 47 points per game. Our defensive attitude and aggressiveness was the key to our winning so easily. We had fine team depth with seven starters, who were all capable of over 25 to 30 points at any given time; however, we concentrated on teamwork and hitting the open man. The team was in love with winning and they knew how to control the momentum of the game with its constant pressure at both ends of the floor. The team was blessed with many leaders, as was shown by the quality of play these athletes put forth."

The freshmen A team. ROW 1, L-R-Ron Moulton, Paul Diment, Dan Frawley, Jeff Milbrandt. ROW 2-Coach Ellis Howard, Jim Kimmel, Tom Sob-Lesky, Larry Spear, Dennis Emeott, Mgr. Terry Bray.

"The freshmen A team capped a 10-7 season with a thrilling triple-overtime win against Ovid-Elsie, which gave the Vikings third place in the Mid-Michigan B Tournament.

Outstanding scoring performance by Dan Frawley, Matt Hurd, and Larry Spear, and a new single-game frosh rebounding record of 31 by Hurd, were highlights of the fine season."
Ellis Howard

"I believe this year's team (freshmen B) was such a tremendous pleasure to coach because of the outstanding improvement so many boys made as the season progressed."

"In the third year of varsity competition, the wrestling team performed well. Our season record of 8-5-2 was our first winning season. The team was primarily composed of underclassmen; however, our three seniors, Jeff Wilson (167#), Jim Marx (185 #), and Mark Benkert (Heavyweight), will surely be missed. The entire wrestling program, grades 5-12, is slowly, but very surely, gaining prowess. We are developing talented yet dedicated athletes.

These athletes, through much sweat and hard work, did a creditable job this year. They are men in the truest sense of the word with an unmatched sense of pride. To each and every one of them --- Thanks!"

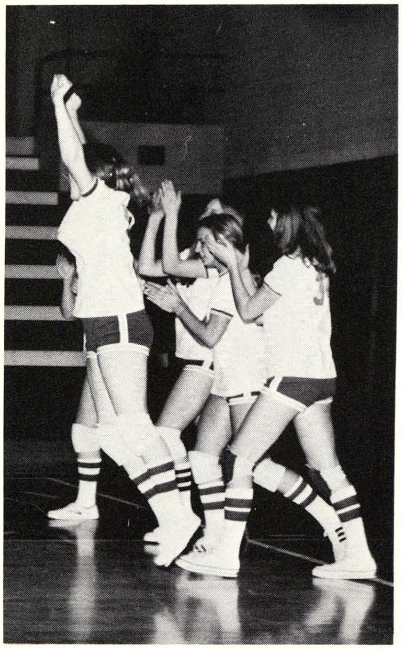
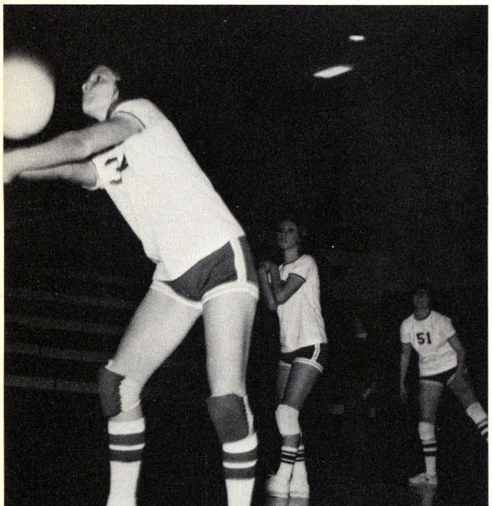
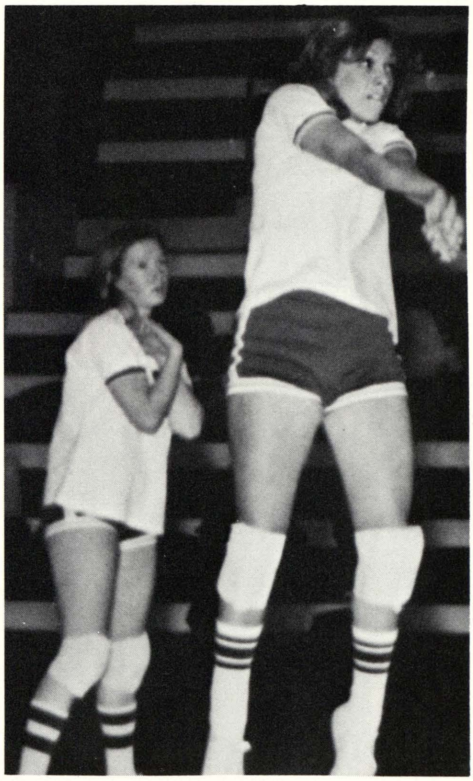
Chalk Up A First For Girls' Sports!

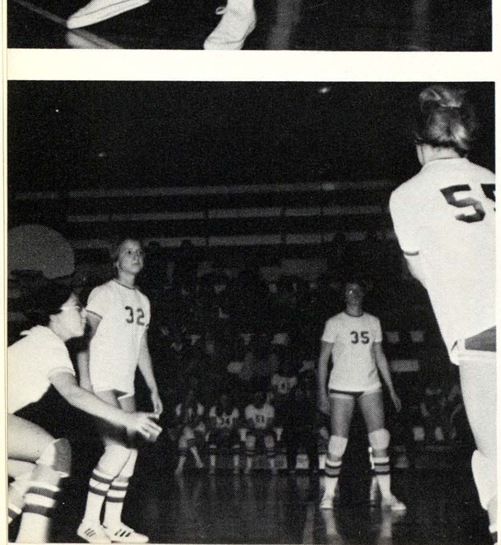
VOLLEYBALL

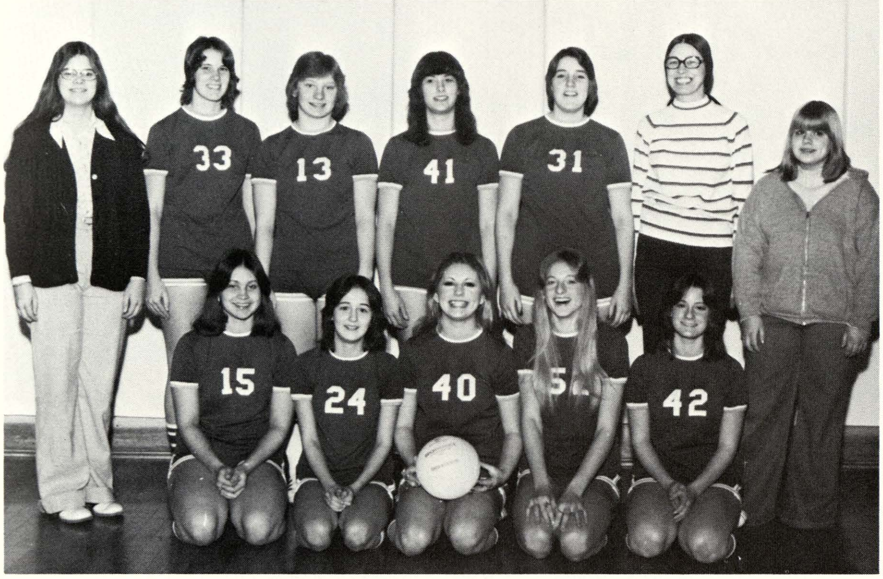


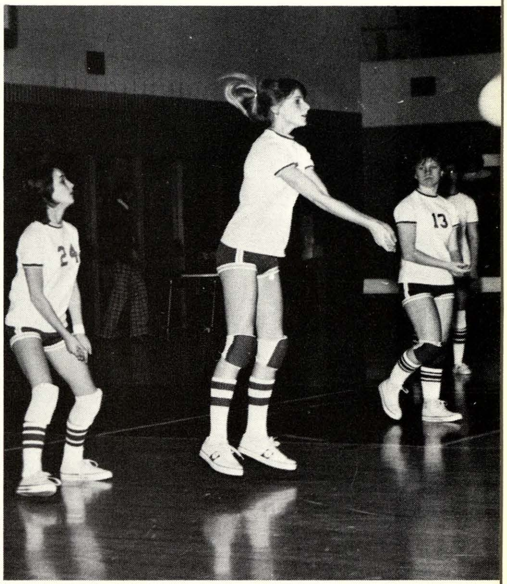


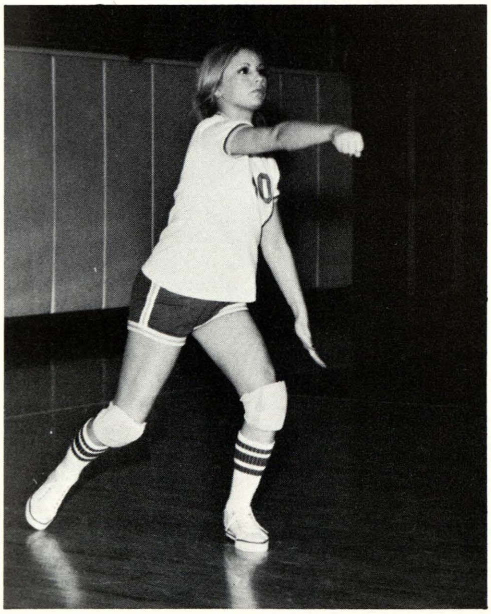


"1975 was an excellent year for the Vikings volleyball teams. The varsity team took the league championship with their 9-1 record. The team was made up of five seniors, two juniors and two sophomores. The seniors will be sadly missed, for they were the foundation upon which the team was built. They played like a team and were able to concentrate on each point and game. The pleasure of working with these girls will never be forgotten. . . . . ."









". . . . . .The junior varsity team also had a very good year. Their final league record was 8-2. Despite a showing of inexperience in their first two matches (hence, the two losses), from then on, with hard work, they controlled their matches."

VARSITY BASEBALL

The Viking varsity baseball team ended its season with an 11-10-overall record and a 5-7 league record. The league record included a final-league-game victory over Bullock Creek which gave the Vikings the MMB All-Sports Trophy.

Their record is deceiving. Swan Valley lost a couple of tough ballgames, where one break decided the game. The record also includes impressive 2-1 and 4-0 victories over highly-touted Douglas MacArthur, in which the shutout came in tournament action, a 4-2 win over Alma and a 4-2 loss to Carrolton, both again in tournament play.

Next year's Viking will have to make up a lot of ground, since they will be losing seven seniors from their team. Coach Mike Nassif is hopeful for next year "if they (the team) play up to full potential."

J.V. BASEBALL

COMMUNITY EDUCATION

The "You Can" symbol represents the philosophy of the Community Education Program.

One of the most impressive programs under community education is the adult high school completion program that is capped off with its own graduation ceremonies. The "Class of 1975" consisted of sixteen hard working individuals.

Community Education is also involved with preschool children, enrichment activities for school-age children, enrichment and job training for adults, and working with senior citizens.

The summation of the Community Education Program would be to provide the means for the total community to live their lives to the utmost.

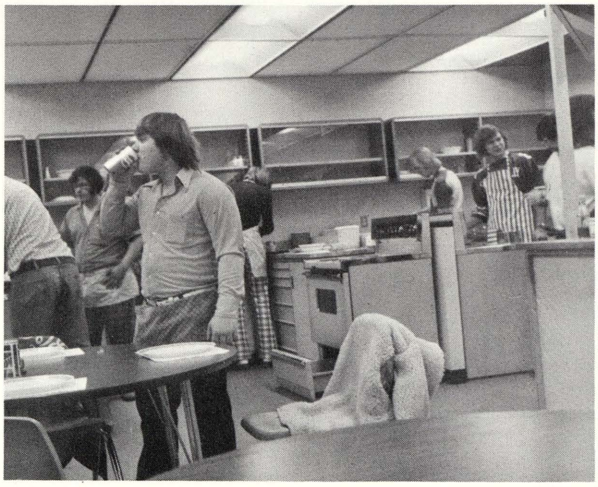
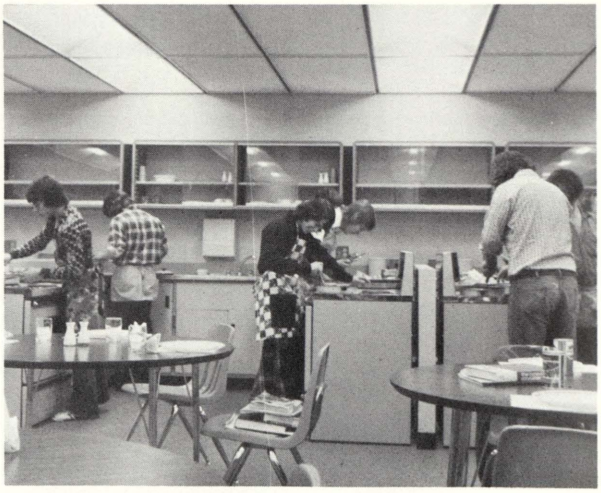
HOME ECONOMICS

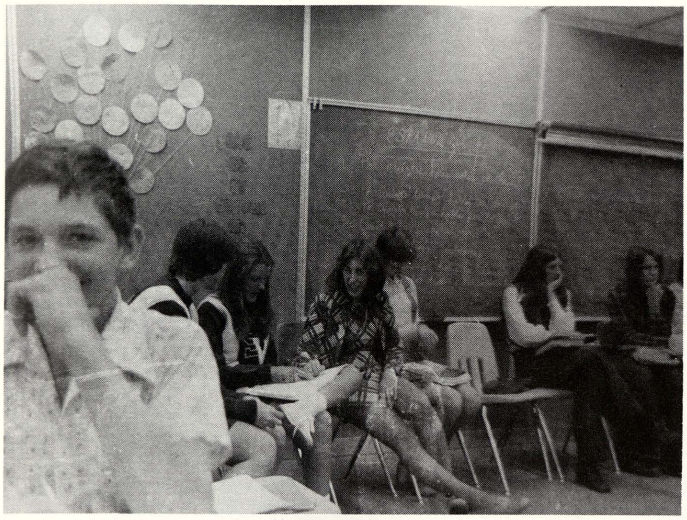
Bachelor Survival (PICTURES AT TOP AND CENTER) is a course designed to teach young men to be self-sufficient as bachelors or more helpful as husbands. Students study food preparation and meal planning; selection, care, and construction of clothing; home planning; and interpersonal relationships. Emphasis is placed upon learning practical skills which will help make "surviving" as a bachelor a success. Students are also introduced to careers in the field of home economics which are of interest to men. Child Development (PICTURED AT THE BOTTOM) gives the students the opportunity to become teachers. The classroom takes on a new look when the 3 and 4 year-old students arrive for a two week session of play school. Students plan a variety of activities which were learning experiences for the children. During this period the high school students are able to observe many of the characteristics of the pre-school child, and hopefully, to learn from their experiences.

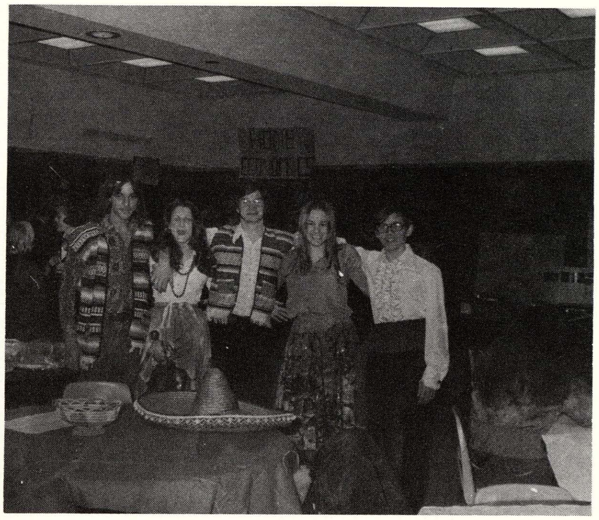




WELCOME TO PLAY SCHOOL HAVE FUN TODAY

SPANISH



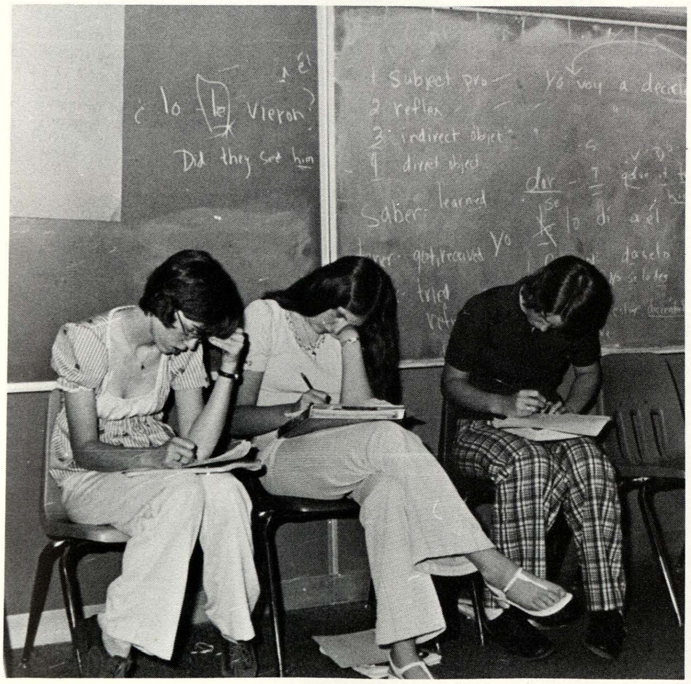


La Clase de Español

¿Qué se puede aprender en la clase de español? ¿Qué hacen uds en esta clase? Estas son algunas preguntas comunes de estudiantes. Pues, es una clase un poco diferente de las demás. Aqui se pueden jugar juegos juveniles pero ya no se sienten cómo un nino. Tambien se pueden saber como comunicarse. Con otros en una idioma extraña. No tendrán que viajar a un pais hispanoamericanos para hablar en español. Se pueden descubrir cómo vive la gente de los paises hispanoamericanos. Todas estas cosas se pueden hacer sin mucha dificultad porque español es demasiado similar al inglés en muchas maneras. De verdad, saber español o cualquier otra lengua es fantastico.

Me he divertido con todos los estudiantes españoles este año. Partir de las ideas y conocimientos han estado mutuos. Espero que sus vidas hayan estado más embellecidas con la instrucción de español.

Que todas tengan buena suerte en los años sigurentes.
La Señora Tesauro



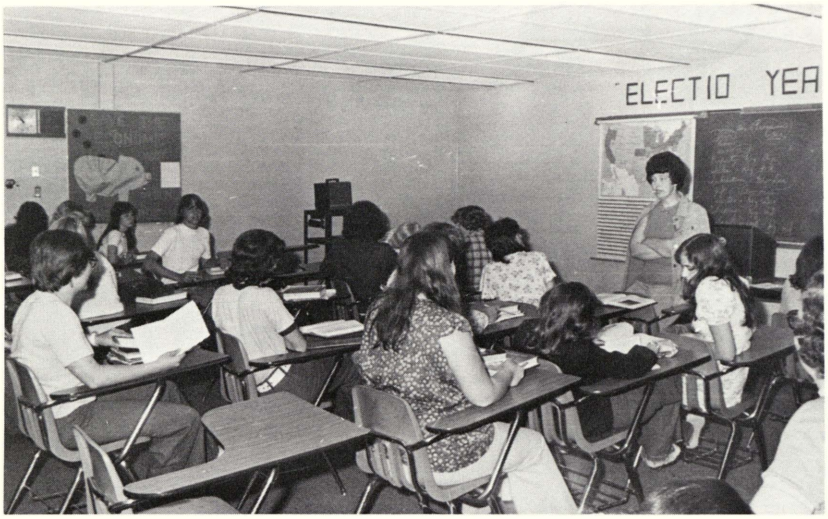
Spanish

What can you learn in Spanish class? What do you do in this class? These are some common questions of students. Well, it is a little different class than the rest. There you can play children's games but yet you don't feel like a child. You can learn how to communicate with others in a foreign language. You will not have to travel to a Spanish speaking country to speak Spanish. You can discover how the Spanish speaking people live. All these things you can do without much difficulty because Spanish is so similar to English in many ways. Really, knowing Spanish or any second language is fantastic.

I have enjoyed all the Spanish students this year. The sharing of ideas and knowledge has been twofold. I hope that their lives have been further enriched with the knowledge of Spanish.

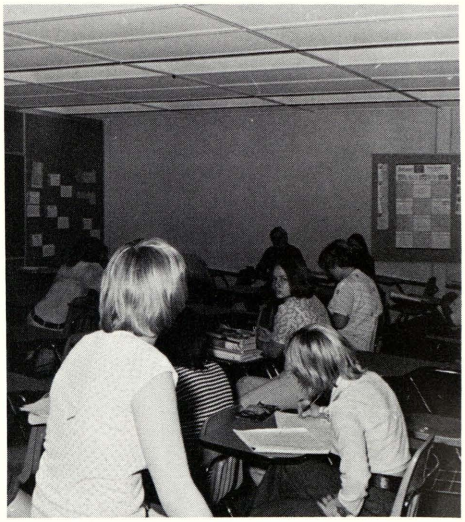
Good luck to all in the following years.
Mrs. Tesauro

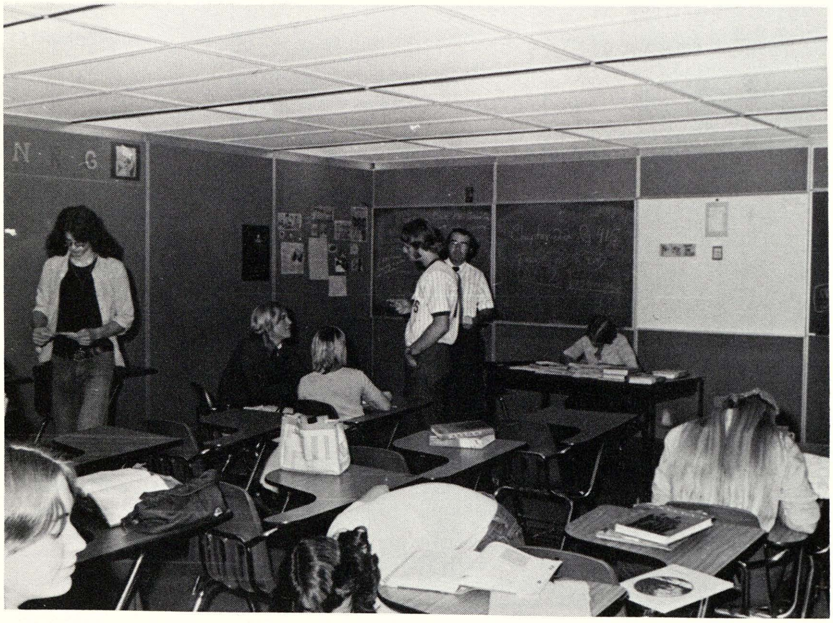
SOCIAL SCIENCES

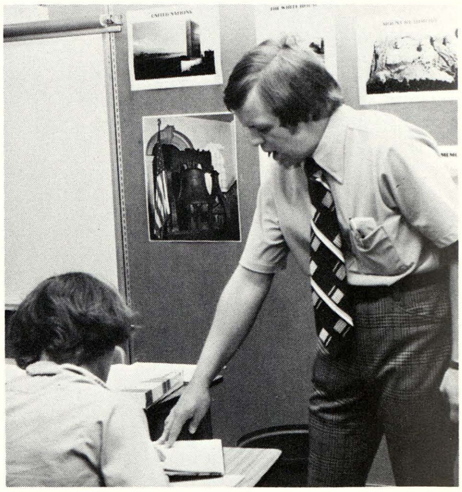


The history of the world is the record of a man in quest of his daily bread and butter.

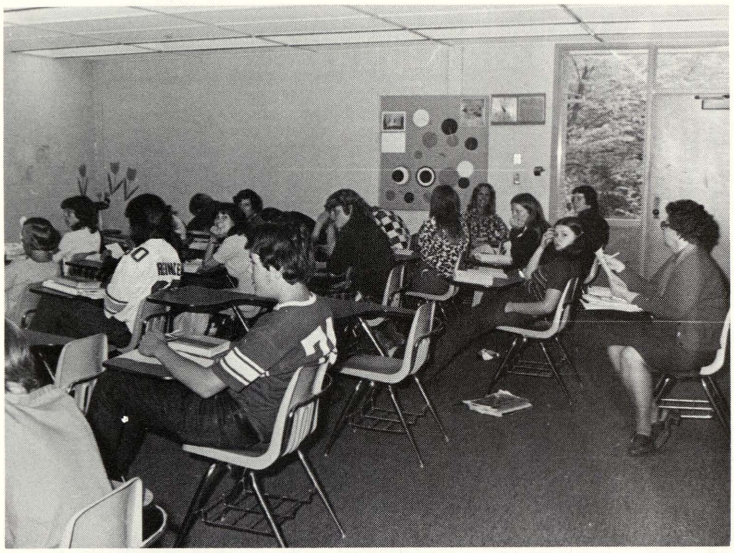
UPPER LEFT: Mrs. Crampton teaches sophomores about U.S. History. CENTER LEFT: More sophomores attempting to learn about our history. CENTER RIGHT: A group of seniors fulfilling their requirement in Mr. Wartenberg's government class. LOWER LEFT: The sociology class seems to be socializing. LOWER RIGHT: A civics student is being helped by Mr. Klemko.





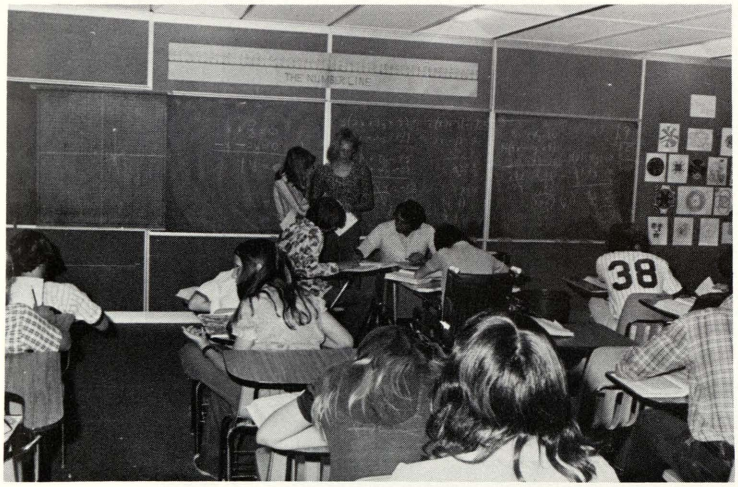


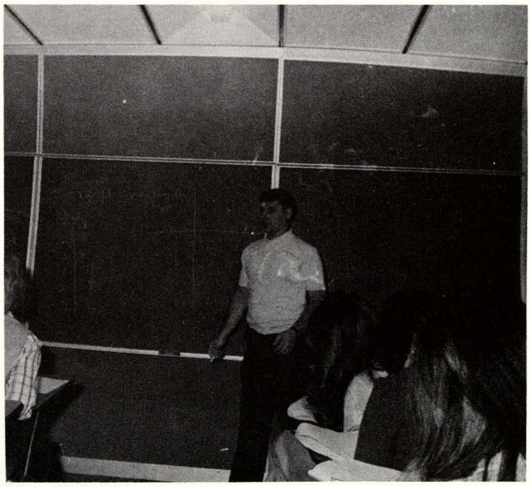
MATH



A teacher affects eternity; he can never tell where his influence stops.
Henry Adams

UPPER LEFT: Mrs. Hensler keeps a guiding eye on her students. CENTER LEFT: Mr. Rossio, the sudden center of attention, enjoys a stimulating conversation with his proteges. CENTER RIGHT: A grim Mr. Cichowski explains what should already have been known. LOWER: Miss Grimaldi enjoys the scene of hardworking students in groups.

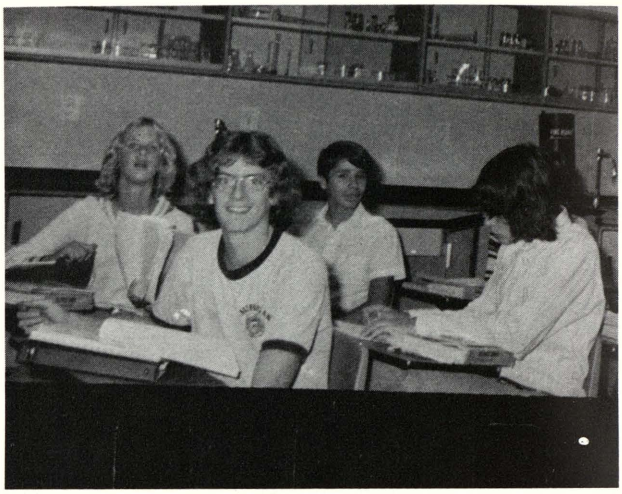


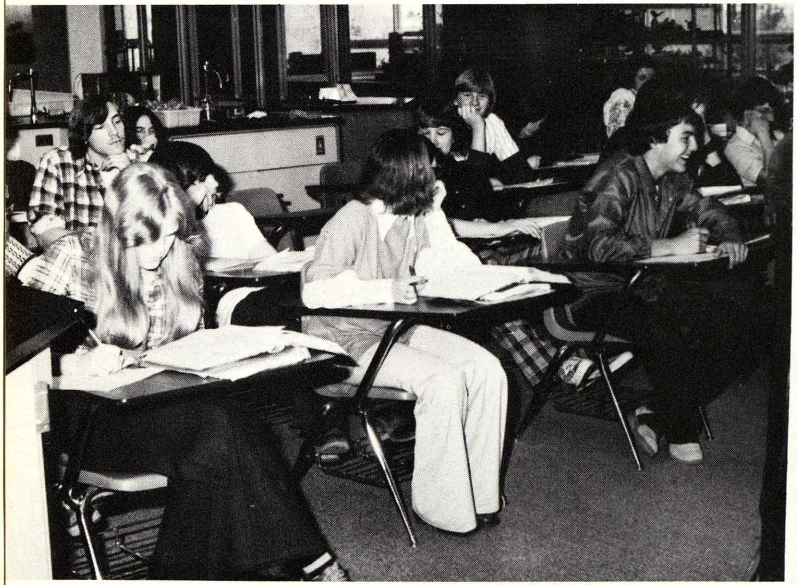


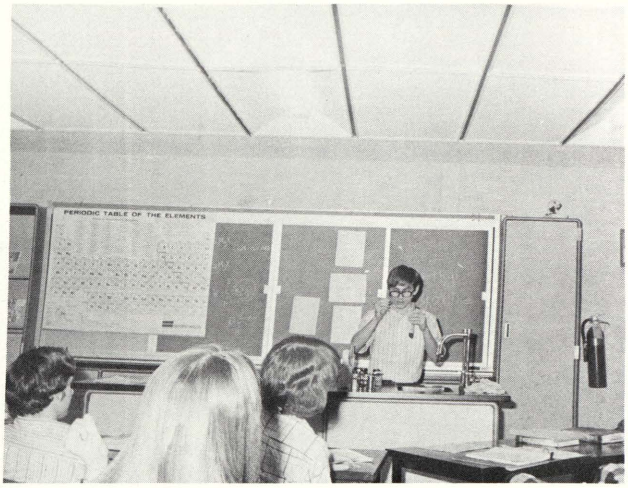
WHAT ARE YOU LIKE

SCIENCE

VERTEBRATES



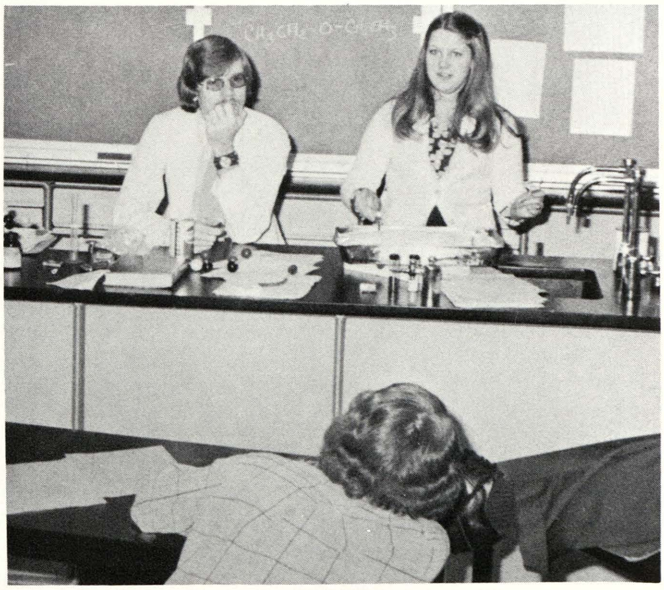




PERIODIC TABLE OF THE ELEMENTS

Our Science Department offers a wide range of courses from which students may select to satisfy their science requirements. The courses range from semester courses in weather and geology to full-year courses in biology, physics, and chemistry.

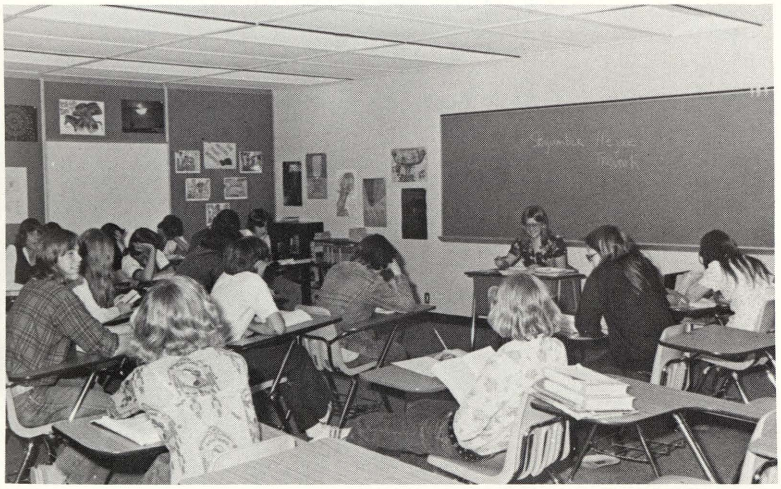
UPPER LEFT: Mr. Huggard, student teacher, helps Genie Hoffman in biology class. LOWER LEFT: Eager biology students in a variety of poses. UPPER RIGHT: More biology students. CENTER RIGHT: Kevin Webster is busy doing a chemistry experiment. LOWER RIGHT: Mary Kamsickas lights the candles on Mr. Belcher's birthday cake as he looks on.

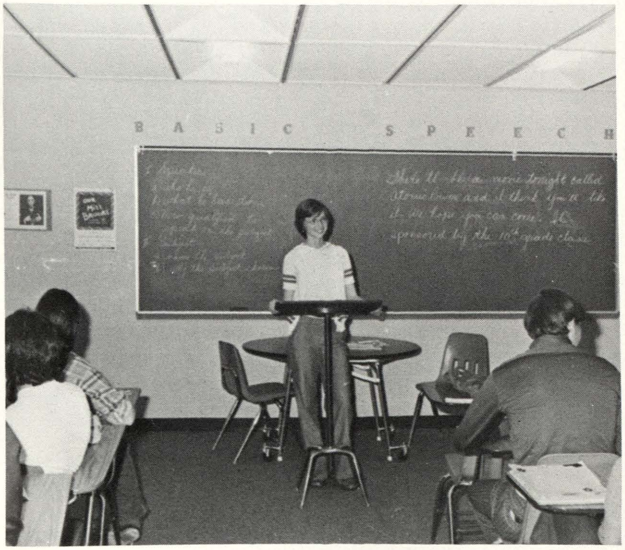


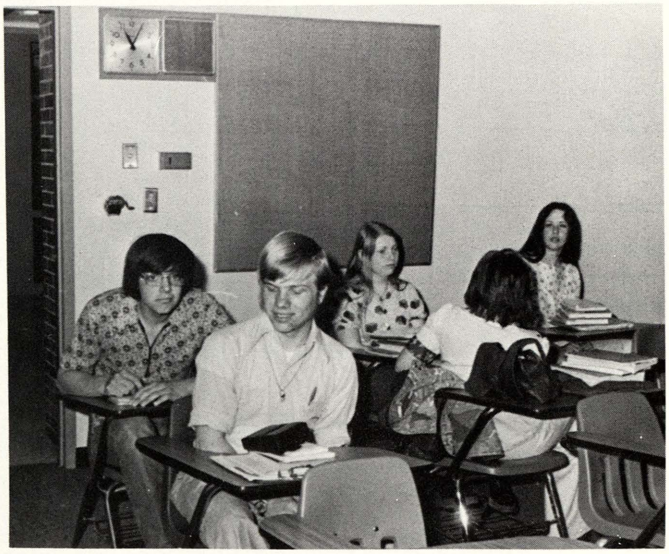
ENGLISH

Blessed is the man who, having nothing to say, abstains from giving us wordy evidence of the fact.
George Eliot

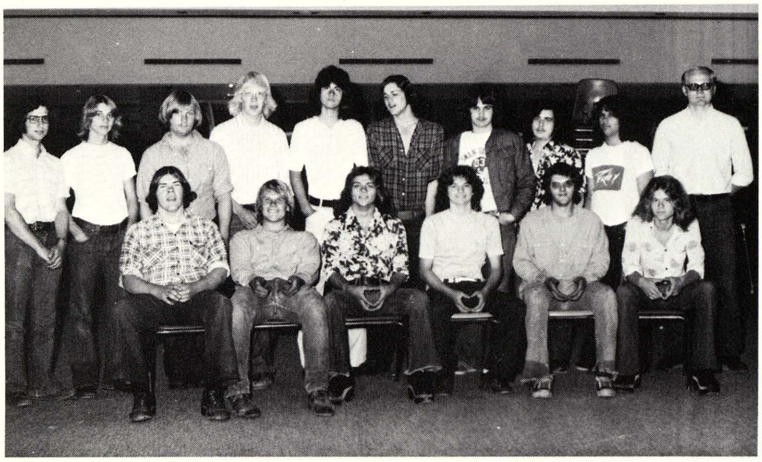
UPPER LEFT: Karen Wozniak shows surprise as she finds the homework that was due three weeks ago. CENTER LEFT: Everyone, including the teacher, has a good time in English. CENTER RIGHT: A hardworking trio stayed well after school hours, studying for the next morning's assignment. LOWER LEFT: A humorous speech is just the thing for passing the day, and the class. LOWER RIGHT: When caught in the act of "comparing" answers, you may as well smile.

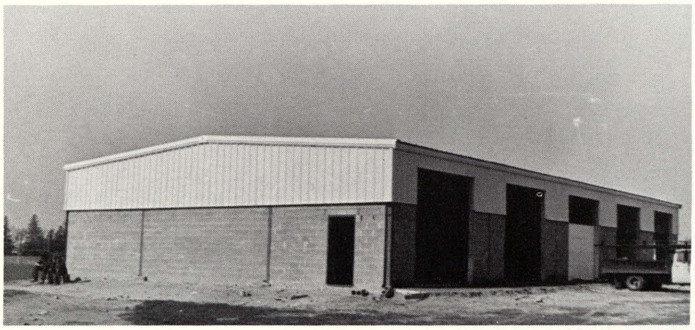






VOCATIONAL EDUCATION



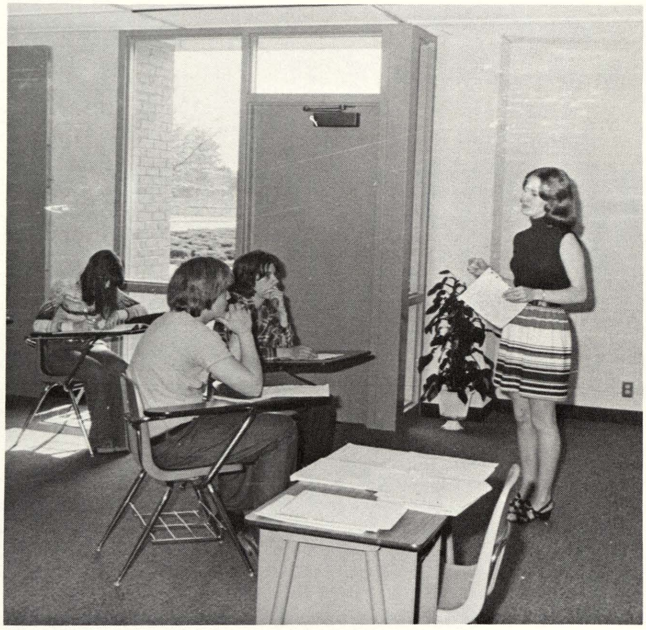


Our high school offers three vocational education courses in connection with four other schools. Mrs. Butcher teaches a class in business practice which gives the students experience in all phases of office work. The course taught by Mrs. Wood trains the girls to be nurse aides. The students' time is divided between the classroom and actual hospital work with the patients. This year's Building Trade class constructed a building to be used for an additional vocational class in welding.

THE SECRETARY'S BEST FRIEND

UPPER LEFT: Building trades students ROW 1 L-R, M. Benkert, B. Hart, J. Briguglio, S. Juhas, B. Clark, D. Ruppel. ROW 2, B. Slumka, R. Klein, B. Martin, B. Teske, T. Gabriel, J. Underhill, S. Carrick, R. Stricklin, B. Johnson, Instructor R. Perry. UPPER RIGHT: Nurse Aide students learn to take a blood pressure reading. CENTER LEFT: Building trades project for 1974-75. LOWER RIGHT: Girls learn how to lift a patient.

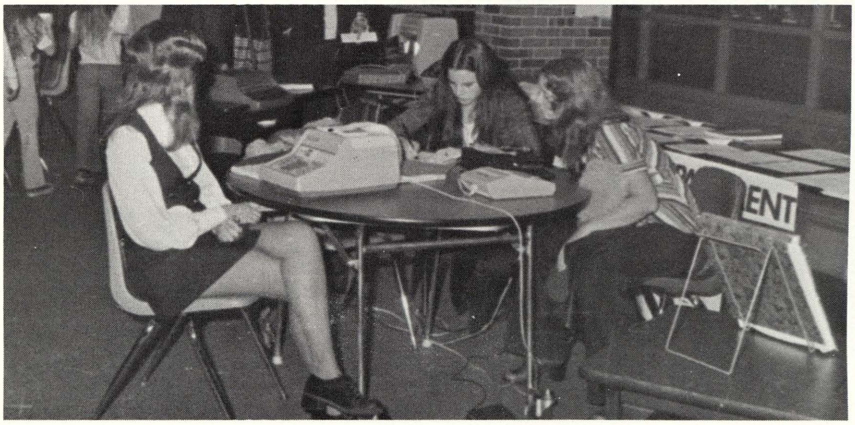
INSTRUCTIONAL LEARNING CENTER



Students at work in the ILC. UPPER RIGHT: Mrs. Gumina teaches a small group. LOWER LEFT: Mrs. Blenkhorn, a teacher's aide, gives individual help to Verna Howard. LOWER RIGHT: Mrs. Dill works with two of her students.

The Instructional Learning Center provide individual instruction in academic skills pertaining to English, math, and job related experiences. Students also receive help with specific difficulties they may encounter with their studies.

BUSINESS



Blessed is he who has found work; let him ask no other blessedness.
Carlyle

UPPER LEFT: After a tiring day of work, students are caught relaxing; while Mr. Adams is just caught. CENTER LEFT: Business students show their skills to the public at Achievement Night. LOWER LEFT: Everyone is somber near grading time in typing. LOWER RIGHT: Mr. Nassif finds something hilarious in Tammy Kretz's typing.

INDUSTRIAL ARTS

Labor conquers everything.
Virgil

UPPER RIGHT: Steve Gustin seems very intent as others watch. CENTER LEFT: Activity centers around one machine. CENTER RIGHT: Mike Megerle is trying to decide what to do with that chair. LOWER LEFT: The display at Achievement Night draws the interest of several. LOWER RIGHT: Will the square peg fit in the round hole?

It is difficult for me to find the right words to say enough "thanks" to the fantastic staff and advisor that this book had working for it. I didn't have all the time to spend on the book that I would liked to have had. However, I am proud to say that I am a part of the Valhalla - a book that without the help and cooperation we had couldn't have been.
